Free web app · v1.2.0

পূর্ব নাগৰী to Roman

Open your community's writing to readers of every script

Paste a page in script, read it in Roman.

Paste or type text in the Eastern Nagari script and get it in Roman letters, line for line. Built for Bishnupriya Manipuri, it installs like an app and works offline.

Two paragraphs of Bishnupriya Manipuri, pasted in script and shown in Roman letters

PASTE THIS · GET THIS

বিষ্ণুপ্রিয়া মনিপুরি
`bishnupriya monipuri`

কালে কালে নানান ঘটনা ঘটে
`kale kale nanan ghotona ghote`

আমার সোনার বাংলা
`amar sonar bangla`

01 Whole pages, layout kept

Pasted text is converted word by word, keeping every line break. Roman words and numbers stay as they are.

02 Spelled the way you say it

A word list your team can extend sets how words are spelled, including silent vowels like `prithibirma`.

03 From a photo, with OCR

The OCR button opens OCR Studio to read text off a printed page, ready to paste in here.

USE IT FOR

Roman editions for readers who don't read the script · Song texts for learners and the diaspora · Transliterated titles for catalogues · Text for subtitles and websites

Share your literature more widely with us.

Free for heritage societies, language groups, schools, cultural trusts and village committees. We'll help you tune the spellings for your texts.
