লেখনী Lekhoni

Desktop publishing for Assamese and Bengali

Print your community's news in its own script.

Type in Roman letters and Lekhoni writes Assamese or Bengali as you go. Lay out newsletters, booklets and notices, then print or save a PDF — all offline.

A village newsletter laid out in Lekhoni, every word typed phonetically

TYPE THIS · GET THIS

amar ga^wor OItihY
আমাৰ গাঁৱৰ ঐতিহ্য

bor namoghorot bhaOna
ৰৰ নামঘৰত ভাওনা

mukha shilpISokolor korrmoshala
মুখা শিল্পীসকলৰ কৰ্মশালা

01 Both scripts, one click

Switch between অসমীয়া (ৰ, ৱ) and বাংলা (র). Conjuncts, reph and ya-phala come out right.

02 A real page-layout tool

Newsletter, column and book templates; text, tables, images and shapes; page numbers in ১, ২, ৩ or in words.

03 Offline and print-ready

Print or save every page as PDF. Projects stay on your device, and you can add your own font files.

USE IT FOR

Village newsletters and notices · Festival souvenir booklets · Namghar and satra programmes · Exhibition labels · Reprinting old songs and texts

Publish in your own script with us.

Free for heritage societies, namghars, schools, cultural trusts and village committees. We'll help your team type and lay out its first publication.
